#### Requirements for admission to the 2<sup>nd</sup> degree programme

1. Admission to the second degree programme is guaranteed if students have:
  - i. fulfilled all graduation requirements of the first degree programme;
  - ii. Major GPA of at least 3.0 upon completion of studies of the first degree programme (ERG); and
  - iii. taken at least 30 relevant units, of which includes ELTU2014, ELTU3014 and

mutually recognized courses by both the Engineering and Business Administration Faculties. In addition, students should have achieved a GPA of at least 3.0 in these courses while pursuing the first degree programme. For details of the mutually recognized courses, please refer to the explanatory notes on mutual recognition or exclusion.

Students who do not satisfy the above requirements may still apply for admission to the second degree programme which has discretion to judge the suitability of the students for studying for the second degree through assessments like conducting interview, considering the recommendation from the first degree programme etc.

Upon fulfillment of the requirements of the first degree programme, students can still choose to or not to pursue the second degree programme.
